DEPAUL EXTENTION PLAN FOR EMPLOYER REIMBURSEMENT 2011/2012

DePaul's Extension Plan for Employer Reimbursement (DePEPER) is a payment option for students who receive tuition reimbursement from their employers. It is administered through the Student Accounts office. The payment plan is designed to view coverage by an employer tuition reimbursement program as pending payment. Since employer reimbursement is generally issued at the end of a term, this extension payment plan allows the students covered by such an employer reimbursement plan to receive an extended payment due date for their tuition charges. Bills and grades will be issued to the students only and not to the employers. It is the responsibility of the student to provide their employers with copies of any documents their employer may require. **Regardless of when the employer reimburses the student, the extended payment due dates are not negotiable.**

WHAT ARE THE ELIGIBILITY REQUIREMENTS?

Students must submit the application by the application deadline. If there is a doubtful account history, past due balance, or insufficient employer documentation, the student will not be accepted into the program.

WHAT COURSES CAN I ENROLL TO BE ELIGIBLE FOR THIS PROGRAM?

To be eligible to participate in this program, students must be enrolled in the traditional terms (see qualify terms). Special seminars, extended courses, workshops, courses which require pre-payment, audits and zero credit courses are not covered in this program.

CAN I APPLY FOR THIS PROGRAM IF I HAVE ALSO APPLIED FOR FINANCIAL AID?

This program is designed to assist students who do **NOT** receive financial aid. There are no exceptions to this policy. Financial Aid can be defined as Grants, all Loans, or Third Party. Accounts are periodically audited, if you are receiving any aid, you will be automatically removed from this plan.

WHAT IF MY EMPLOYER DOES NOT REIMBURSE ME IN TIME TO PAY MY BILL BY THE EXTENED PAYMENT DUE DATE, OR IF THERE ARE OTHER CIRCUMSTANCES THAT PREVENT ME FROM PAYING?

Regardless of when the employer reimburses the student, it is the student's responsibility to pay the balance in full on or before the extended payment due date. Students who experience this delay from their employers typically pay tuition using a credit card. Students are responsible for paying their tuition accounts in full by the extended payment due date.

- Payment is due whether or not course work is completed.
- Payment is due even if the student has **NOT** received reimbursement from their employer.
- Payment is due whether or not grades are received.
- Extended payment due dates are not negotiable; DePEPER is an **EXTENDED** Payment Plan.
- \$100 delinquency fee will be assessed to students who do not meet the extended payment deadlines.
- Failure to meet the application agreement will jeopardize future participation in the program and may prevent future enrollment.
- Payments can be made on the web at <https://campusconnect.depaul.edu>

HOW DO I APPLY?

Applications are to be submitted online through the Campusconnect login.

Navigate to "For Students", then "DePEPER/Employer Reimbursement" and follow the prompts. You will be notified instantly if your application is denied. Do not return the application to the college office; this will not ensure that you will participate in the program.
